UofM Faculty and Instructors

Easily add readings for your students in eCourseware with Curriculum Builder!

Link journal articles, primary sources, text-to-.mp4, eBooks, and more from your library databases:
- EBSCO Discovery Service
- CINAHL Complete
- Education Full Text
- Business Source Premier
- IEEE
- JSTOR
- and so many more!

In your modules, select Add Existing Activity, select External Learning Tool, and find Curriculum Builder to start building your reading lists!
